

United is *the* way to Help.

2020 REPORT TO THE COMMUNITY

United Way 
United Way
of Greater Cincinnati

WHO WE ARE

Dear United Way friends,

2020 was a significant year for me and for our region. I began work at United Way of Greater Cincinnati the week the pandemic shut down our community and our world.

It was quite a learning experience and a revelation. Our community rallied around its neighbors and I felt fortunate United Way was a central part of the response and recovery efforts. We were uniquely positioned to bring diverse resources together for immediate impact well beyond what any single organization could deliver.

United Way believes all in our region deserve economic well-being. We also believe those closest to the challenges are best positioned to determine the solutions. Families know what is best for them, and they drive our work. Our job is to remove barriers and rally resources to support their journey.

We help people with basic needs and financial stability, improve access to health and wellness services, and promote quality education for all.

From the COVID-19 Regional Response Fund activated at the start of the pandemic, to our work with Champions of Change and the group's creation of Black Empowerment Works grants, to Care Coordination and other pandemic-relief efforts, United Way was fortunate to be a part of incredible community moments in a very difficult year.

Thank you for your support. None of this happens without our donors, advocates, volunteers. You show that United is *the* way to a strong community.

Sincerely,

Moira Weir
President/CEO

2020 IMPACT

Throughout the turmoil and uncertainty of 2020, United Way led our region's response to the pandemic. **In addition to activating the \$7.2 million COVID-19 Regional Response Fund, United Way helped our community respond and recover in many ways including:**

\$1.4
million
invested to provide
pandemic relief

\$390,000
worth of resources
distributed to the
community

416
volunteers

54
direct-relief
partners engaged

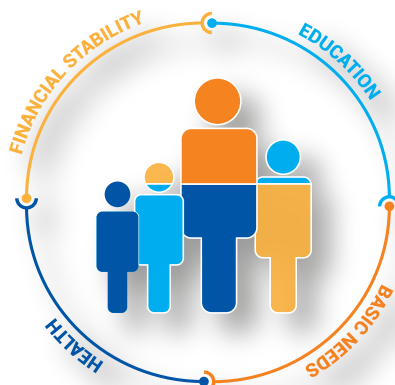

18,335
households served

132,000
requests for
services fielded

In 2020, we impacted the community through financial investments, but also through advocacy and engagement. While sometimes harder to see in the community, the policy change and system-building work disrupts the systems holding back families.

2020 IMPACT

COVID-19 REGIONAL RESPONSE FUND

Building on more than 100 years of leadership in addressing community challenges, United Way launched a comprehensive response to the COVID-19 crisis. **The COVID-19 Regional Response Fund, activated by UWGC and GCF, raised \$7.2**

million in emergency relief for more than 250 nonprofit organizations that serve the region's most vulnerable individuals and families. The fund exceeded its \$5 million goal within seven weeks.

Among the organizations assisted by the COVID-19 Regional Response Fund was Bethany House Services, which was able to provide safe shelter to 40 single mothers and their children.

United Way's approach to addressing COVID included:

- **Stabilizing the critical nonprofit system of care** for families accessing basic needs and other services.
- **Providing direct relief to families** impacted by COVID-19.
- **Empowering families** to get help where they live, work and worship by building new partnerships.
- **Supporting capacity building, innovation and advocacy** as the nonprofit sector adapted to its changed environment.

Other examples of how United Way addressed the COVID-19 crisis:

- **Allowing partner agencies to access early allocations** for help with emergency relief.
- **Reaching out to nontraditional partners** (faith-based and community-based organizations) to ensure relief work hits all communities.
- **Delivering iPads** to help isolated seniors connect with their families.
- **Delivering more than 1.6 million masks** and **28,000 bottles of sanitizer** to organizations throughout our community.
- **Delivering more than 15,000 Notes of Encouragement** to isolated seniors throughout Greater Cincinnati.
- Establishing a partnership with Hamilton County Job & Family Services and other community organizations to **deliver \$160,000 of gift cards directly into the hands of food assistance applicants** to fill the void between application submittal and approval.

Luz Medina, a mother of two teens, was among nearly 4,000 local residents who received gift cards. She had been furloughed from her hotel housekeeping job.

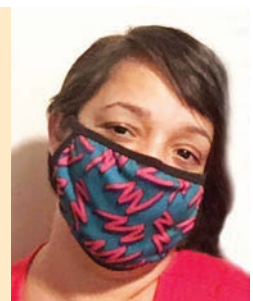

"It really helped me and my kids. I just wanted to say thank you. If I wouldn't have had that \$100, we probably wouldn't have had anything to eat."

— Luz Medina

"We were just really grateful that we were still able to pay the bills and be able to do something for Christmas. We are very appreciative for all the help."

— Candace (pictured right)

2020 IMPACT

BLACK-LED SOCIAL CHANGE

UWGC's Black-Led Social Change encompasses organizations, ideas and strategies led by individuals who identify as Black, and that aim to build power and positive outcomes within the population. Two programs exist under the **Black-Led Social Change initiative: Champions of Change and Black Empowerment Works.**

Champions of Change, a group of local leaders striving for equitable outcomes in the community, first came together in 2017. The group's work eventually led to the creation of Black Empowerment Works in 2020. The effort invests in Black-led, grassroots-generated ideas, programs and projects that address poverty.

In 2020, 28 Black Empowerment Works projects received \$600,544 in grants ranging from \$2,500 to \$25,000. Among the grant recipients was Triiibe, which used the funds for a community garden project promoting healthy lifestyles.

"The United Way is how my community will have a garden and my children will know ownership."

– Siri Imani, artist and musician with Triiibe.

CARE COORDINATION PROGRAM AND YOUTH SERVICES RELIEF FUND

Late in 2020, with many people facing dire circumstances, Hamilton County officials entrusted UWGC to develop the Care Coordination Program to meet the diverse needs of residents affected by COVID-19. United Way was uniquely positioned to administer the program because of its relationship with 140 partner agencies. **The program, funded by \$1 million from the federal CARES Act, delivered 1,295 meal kits and 1,140 health kits; provided rent, mortgage, or water bill assistance to**

873 individuals or families; connected 260 people to employment services; and linked 216 people to mental health services.

"Once I got in touch with United Way, that is what really saved me." – Brian, 53, whose workplace shut down in 2020, causing him to struggle with unpaid bills and the possible loss of his family's home.

Hamilton County officials also entrusted UWGC to administer the **Hamilton County Youth Services Relief Fund, which provided financial relief to nonprofits and recreation commissions supporting Hamilton County youth affected by COVID-19.** UWGC reviewed applicants and selected organizations to receive \$1 million in federal CARES Act funds.

2020 IMPACT

211 HELPLINE

In 2020, 40,462 calls were placed to United Way's 211 Helpline, which is available 24 hours a day, seven days a week, 365 days a year to people in Hamilton, Clermont and Brown counties in Ohio; Boone, Kenton, Campbell and Grant counties in Kentucky. Trained call specialists who have access to a large database connect people to essential community services.

In 2020, UWGC positioned its 211 Helpline as a one-stop shop for COVID relief. What's more, United Way connected 211 and Meals on Wheels to proactively reach out to seniors living alone and inquire if they need social services.

FREE TAX PREP

United Way's Free Tax Prep service uses trained IRS-certified volunteers to provide free tax preparation and filing services for eligible taxpayers, ensuring they receive the credits they deserve.

In 2020, United Way helped 8,000 people avoid more than \$2 million in tax filing fees, while collecting more than \$12 million in refunds.

WISH LIST

Each holiday season since 1987, UWGC has partnered with The Cincinnati Enquirer for the Wish List, which provides support to families and individuals in need. **The total raised by the 2020 Wish List was \$116,669**, the most since 2015, and more than enough to fulfill the wishes of all eight families and individuals whose stories appeared in The Enquirer. Remaining funds are used to assist other needy people.

"Wish List gave me a chance to give my children what I always wanted them to have and what they deserve to have, because they have been through so much."

— Danielle Stallworth

(Mother of four who lost her 15-month-old daughter in 2018 from injuries suffered at the hands of a relative.)

UNITE FOR TEEN FINANCIAL LITERACY DAY

In February, United Way, in collaboration with Cincinnati Public Schools (CPS) and Junior Achievement, hosted the fifth annual Unite for Teen Financial Literacy Day. The lessons, part of the CPS My Tomorrow initiative, **reached all 2,400 seventh-grade students across 20 CPS primary and secondary schools.**

2020 IMPACT

ANNUAL CAMPAIGN

Two weeks before 2020 ended, **UWGC's annual campaign reached its \$50 million goal**, assuring it would have the resources to continue helping the Greater Cincinnati region recover and revitalize from the COVID-19 pandemic.

AREA CENTERS

CLERMONT & BROWN COUNTIES

UWGC and the Clermont County Public Library partnered to bring the Ohio Governor's Imagination Library to Clermont County. The program is an extension of Dolly Parton's Imagination Library, which mails free, high-quality books to preschool children. More than 15,000 books were mailed to Clermont County preschoolers so they could still learn and have fun during COVID isolation.

NORTHERN KENTUCKY

As a result of pandemic-related work slowdowns, furloughs and job losses, many families could not afford internet service. **The Northern Kentucky Digital Equity Initiative, launched by UWGC, Cincinnati Bell and other local partners, mobilized \$372,000 from individual, foundation and corporate investors** to provide high-speed internet for one year to more than 1,670 homes in 16 school districts.

"It's a big relief. It's really helped us." – *Eva Jenkins*, whose three school-age children needed internet access for remote learning.

SOUTHEAST INDIANA

In the third quarter of 2020, **UWGC's Southeast Indiana office awarded \$121,000 to nine Southeast Indiana nonprofits** to help residents meet basic needs brought on by the COVID-19 pandemic. The relief was the first round of funding made possible by a grant from Lilly Endowment Inc. and a partnership with Indiana United Ways, a state professional organization.

Among the ways the funding was used:

- New Horizons Rehabilitation modified workstations so that 60 people with disabilities could return to work safely.
- New Hope Services directed funds to its Healthy Families program, which provides a variety of services for first-time families to support the health of their newborns.
- The Clearinghouse food pantry widened its reach to shut-in seniors, families and individuals using a mobile pantry.

2020 SUPPORT

MACKENZIE SCOTT GIFT

At the close of a year where tens of thousands across Greater Cincinnati saw their lives turned upside down, philanthropist MacKenzie Scott significantly invested in a brighter 2021 and beyond for the region.

Scott donated \$25 million to United Way of Greater Cincinnati to develop and support transformational, system-changing work that benefits residents throughout our service area, helping all families achieve economic well-being.

"This validates United Way of Greater Cincinnati's direction and hard work," said Moira Weir, president and CEO. "2020 provided a fresh perspective on the inequities in our community. A person's fate is too often decided by the family they are born into, the ZIP code they live in, their skin color, etc. Many took stock this year in the privilege and benefits they enjoy and pledged to change systems to advance equity and inclusion. United Way now has the opportunity to capitalize on that momentum."
